CYCLADES SOUNION

What a sight it must have been when the ancient Greek seafarers laid their eyes on the majestic Temple of Poseidon at the very tip of cape Sounio. Cape Sounio has been recognized since prehistoric times as a special place of worship and was an important sanctuary during the Greek Archaic, Classical and Hellenistic periods.

KYTHNOS ISLAND

Kythnos is like a modest beauty. It is not famous, no pictures of Kythnos are seen on the cover of magazines. However it is truly beautiful and genuine, and very "well behaved" too. It is approachable, friendly, joyful and hospitable. A holiday destination out of the ordinary, this is one of its greatest virtues.

DEFINITELY VISIT:

Panagia Kanala • Castle Orias, Vryokastro & Maroulas
Cave of Katafiki • Traditional year-round festivities

CYCLADES SIFNOS ISLAND

Sifnos belongs to the West Cyclades and is situated in the middle of the triangle formed by Serifos, Kimolos and Antiparos. Its pristine white settlements, blending superbly with the natural environment, its sandy beaches, picturesque churches and monasteries, its Venetian castle and ancient towers, and the wise cultivation of the land, its ceramics, hospitality and local feasts make up a superb, exciting and alluring setting for every traveller.

DEFINITELY VISIT:

Monastiri Chrysopigis • Artemonas village
Mycenaean Acropolis • Typically Cycladic settlements
at Exambela, Katavati, Ano & Kato Petali.

CYCLADES

MILOS ISLAND

Milos is one of a kind. It would be just a divine Cycladic island, with fabulous waters and beaches, even without three other unique characteristics: the volcano, the catacombs and its distinct fauna, including the well-known species, the adder of Milos and the rock goat. For whatever reason you visit, you will enjoy even more than you expected.

DEFINITELY VISIT:

Sarakiniko • Kleftiko • Fyriplaka, Yerakas & Tsigrados
Local traditional minor & major feast

CYCLADES

SERIFOS ISLAND

Serifos Island, with its rugged mining sites, laden with history, has its own distinct Cycladic flair. The island exudes a calm atmosphere and speaks directly to your senses.

Despite its arid and wild land characteristics, Serifos is gracefully embraced by the deep blue colours of the Aegean Sea and has some magnificent beaches.

DEFINITELY VISIT:

The old mines • Moni Taxiarchon
Cycladic traditional festivities

CYCLADES

KEA ISLAND

Kea or Tzia Is the 'gate' to the Cyclades, the Far West Island of the Cyclades and closest to Attica. It's beautiful and rare natural environment, the originality of its villages and memories of past times fascinate visitors from the first moment, as thousands of years of history unfold before their eyes.

DEFINITELY VISIT:

Ancient Karthea • The Kea Lion
Prehistoric settlement of Agia Irini
Hellenistic tower of Agia Marina
